

DREAM, BELIEVE, ACHIEVE

Adapted for Batawagama from a poem by Linda Hanson

DREAM

(Dreaming dreaming... Dream on, dream on...)

My path runs before me
On footsteps of my future.
Turning round, looking up,
Turning back and looking down.

Look at the star, look at the moon,
Glimm'ring possibility, dreams of opportunity.
Dreaming dreams of hope, glimpse the shiney future.
Dreaming dreams of mine alone,
Shimm'ring hopes and promises.

(Dreaming dreaming... Dream on, dream on...)

Turning round, looking up,
Turning back and looking down.

BELIEVE

Believe! Believe, I can see it.
My vision is strong.
Believe! Believe, I can see.
My vision's pure, my vision's strong.
I know, I know I can...
Believe in me. Believe my dream.
I believe my dream.

DREAM, BELIEVE, ACHIEVE

Adapted for Batawagama from a poem by Linda Hanson

ACHIEVE

It's not easy, this achieving, this attaining.
Achievement comes with work and training.
It's not easy, heavy lifting, heavy straining.
Embracing future's endless scope.

Reaching my goals,
New and exciting!
I will attain and achieve the rest,
Working for all, always do my best.

It's not easy, this achieving, this attaining.
Achievement comes with work and training.
It's not easy, heavy lifting, heavy straining.
Embracing future's endless scope.

Reaching my goals,
New and exciting!
Living my dreams of lasting hope.

My path runs before me,
on footsteps of my future.
My vision is strong now.
My dream is achieving.

Believe! Achieve! Believe! Achieve!
Dream on! Believe and Achieve!
