

48th Annual Band Camp Concert  
Presents  
*Music Through the Ages*

*a note from the composer*

Each Year, for the past four years, the Batawagama music faculty has used a theme or subject to unify the camp curriculum. This year the theme is music history. One of the pieces the bands are performing reflect the different historical periods in music history. In the evening small group sessions, the students study and listen to music from three historical periods. Individual faculty members also reinforce this historical theme in their individual sessions with the students.

My composition, Suzanna's Time Machine, reinforces the music history theme. the familiar tune, "Oh Suzanna" is presented first and followed by five variations. Each variation is written in the style of composers in given historical periods. The "Oh Suzanna" theme is always present in the five variations ranging from Guido and Perotin in the year 1150 to Igor Stravinsky in the year 1911.
